

Avatar hat

The yarn is from Östergötlands ullspinneri (The Woolen Mill in Ostergotland in Sweden)

Gauge: 33 sts on 4 inches on needles 3,5 mm

Cast on 104 sts (I make a tubular cast on) with the variegated yarn and knit one purl one for 8 rows with needles 2,5 mm.

1. Change to needles 3,5 mm and knit with the single coloured yarn for 6 rows.
2. Change yarn and purl 4 rows.
3. Change yarn and knit with the single coloured yarn for 5 rows. Make 6 increases on the next row by picking up the thread between two stitches and knit it in the back loop. (= 110 sts)
4. Change yarn and purl 4 rows.
5. Change yarn and knit 6 rows.
6. Change yarn and purl 4 rows.
7. Change yarn and knit 6 rows.
8. Change yarn and purl 4 rows.
9. Change yarn and knit 6 rows.
10. Change yarn and purl 4 rows.
11. Change yarn and knit 6 rows. On the 6th row decrease by knitting 9 sts and then knit two together ten times (= 100 sts)
12. Change yarn and purl 4 rows.
13. Change yarn and knit 6 rows. On the first and from now on every second row decrease 10 sts and make the decreases over the decreases from the previous row. (= 90 sts), (= 80 sts) and (= 70 sts)
14. Change yarn and purl 4 rows.), (= 60 sts) and (= 50 sts)
15. Change yarn and knit 6 rows. (= 40 sts) (= 30 sts) and (= 20 sts)
16. Change yarn and purl 4 rows. and (= 10 sts) Cut the yarn and pull it through the remaining stitches.
